

Couples N Christ

From the Teacher

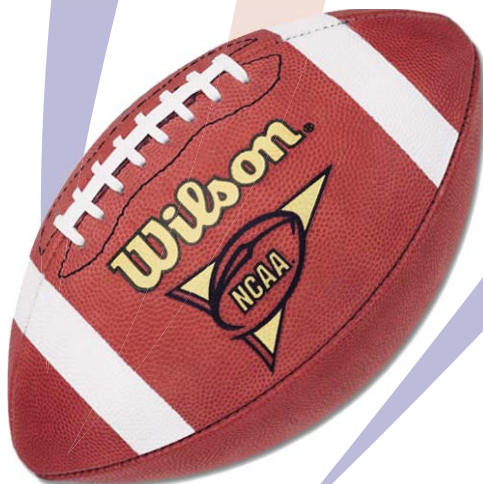

"See that you walk circumspectly, not as fools but as wise, 16 redeeming the time, because the days are evil." Ephesians 5:15,16 (NKJV)

As I read these verses I am reminded of the limited time I have to maximize my impact for Christ. Paul wrote this in his letter to the Church of Ephesus to encourage them to seize the moment, to make the most of every opportunity. As we discussed in class this past week our physical presence on this earth is very limited and the sin and depravity of the world has a mighty influence on the souls of men. Every time I hear these verses I am forced to ask "Am I doing all that I can for Jesus or am I just going through the motions?" These verses force us to self evaluate and to ponder the reality of our commitment to our Lord. The question is: "How to you believe you are stacking up to call of Christ in your life?"

Love in Christ,

Tony

"Don't seek more days in your life but more life in you days." (Chuck Swindoll)
